# MAIN STREET TAX INCENTIVE REMINDER

## What is the MSTCIP?

The MSTCIP provides a **Business & Occupation (B&O) or Public Utility tax (PUT) credit** for private contributions given to designated Washington Main Street Communities.

The credit, which **totals 75% of their contribution**, is received in the following year.

A tax credit is a tax incentive which allows certain taxpayers to **subtract the amount of the credit they have accrued from the total they owe the state.**
